

The RigCat 5's palm was specifically designed for grip enhancements in slick conditions. Silicone repels liquids ensuring the integrity of your grip even when completely submerged. The honeycomb pattern helps channel liquids away from the silicones surface allowing you to keep working for longer periods of time.

Features and Benefits:

- TPR finger, hand and knuckle guards to protect against bumps & bruises
- Reinforced thermoplastic fingertips to reduce pinches; extended Kevlar® reinforced thumb saddle
- Flexible 4-way stretch form fitting spandex back with Hi Visibility fabric and oil & cut resistant palm providing excellent grip in wet applications
- ANSI cut level A4; EN 388: 3543
- Kevlar thumb saddle increase product life
- Armortex® palm backing for level 5 cut resistance and extreme durability
- Colored bright red for easy signaling on the jobsite
